Traditional "Challenge Coin Check" Rules for Veterans & Military

1. A "Coin Check" consists of a challenge and response. A challenge is initiated by either holding your coin in the air or slamming it on a table or floor and yelling "Coin Check!"
2. Individual(s) challenged must respond by showing their Coin with their own unit's logo to the challenger within 10 seconds.
3. Anyone challenged who doesn't show their Coin must buy a round of drinks for all challenged, including the challenger.
4. Coin Checks are permitted anywhere and anytime.
5. If everyone being challenged produces their Coin, the challenger must buy a round of drinks for all challenged.
6. If you accidentally drop your Coin and it makes an audible sound on impact, then you "accidentally" initiated a Coin Check.
7. There are no exceptions to the rules. They apply to clothed or un-clothed. One step and an arm's reach are allowed.
8. A Coin is a Coin. They are not belt buckles, key chains or necklaces. Coins worn in a holder around the neck are valid.

Carry your coin as a reminder of your commitment and connection to something bigger in your daily life.
