United States of America Vietnam War Commemoration

Our active membership is the Vietnam ERA Veteran. Ive seen estimates between 700,000 and 850,000 Vietnam ERA Veterans are alive today. Make an effort to recruit these Veterans. They are the largest group of veterans in America. An excellent way to get involved is **to become a Commemorative Partner with the DOD initiative**. Every Post Commander, State ED and Commander should insure they are part of this program. Once your Department has signed on get your posts to sign on. HQ worked with DOD early in the program helping to develop the commemorative flag. Gen Kicklighter and his staff have stopped by for briefings. We are extremely impressed with DODs efforts to show respect to the Vietnam ERA Veteran. They are also in the age demographic to give back. Look around, AMVETS leadership is the Vietnam ERA Veteran. Let the 800,000 Vietnam ERA Veterans know AMVETS was there and invite them to join!

"Of the 2,709,918 Americans who served in Vietnam, Less than 850,000 are estimated to be alive today, with the youngest American Vietnam veteran's age approximated to be 54 years old."
